Compact and discreet dashcam with convenient screen

An installed OSRAM ROADsight 20 dashcam can offer peace of mind while driving in your car. With a full 1080p 30fps resolution and 120-degree lens, get high quality, wide view recordings and pick up features such as number plates and road signs clearly. A 2" screen allows you to play back footage and keeps the dashcam compact and discreet in order to not be a distraction whilst driving. The G-sensor function automatically saves any footage before and after a collision to make it easier to collect evidence that can be used. Save up to 32 GB of footage with an SD card (not included in the delivery). A magnetic mount and trim removal tool allow for easy installation.
