

ROADSIGHT Rear

Rear camera with 1080p

Compact design

Fits unobtrusively into the vehicle

130° field of view

Captures a wide view of the road

Compatible with the OSRAM ROADsight 50

For a good overview of the road in front and behind the car

Compact and discreet dashcam for rear view of the road

An installed OSRAM ROADsight REAR 10 dashcam can offer peace of mind while driving in your car. Working with the OSRAM ROADsight 50, this rear camera keeps you aware of what may be happening behind you when you're driving in your car. With full 1080p 30fps recording, the ORSDCR10 has clear, high quality recording in order to pick up any features that could be useful. The OSRAM ROADsight Rear 10 is a discreet dashcam – its size and colour keep the dashcam hidden from view and do not distract whilst driving. A 130-degree wide lens gives a broad view of the road behind you. With the OSRAM ROADsight 50, get the a very good view on the front and rear of your car.
