Precisely illuminating vehicle interiors

Introducing the universal LEDambient Trunk Light, the perfect companion for your car's storage space. Packed with advanced features and designed to enhance your convenience, this versatile light will transform the way you use the trunk. Featuring an acceleration and brightness sensor, the trunk light boasts an automatic light function that activates as soon as you open the car trunk. Our light illuminates your trunk instantly, making it effortless to find what you need. With both automatic and manual functionality, you have complete control over the lighting.With a color temperature of up to 6,000K, the trunk light provides a bright and clear illumination, allowing you to see every detail in your trunk. Very practical: With its 2 in 1 multifunction, the light can be used as an inspection lamp and as a torch light. In addition, equipped with a rechargeable 1500mAh battery, the trunk light offers long-lasting performance. The included USB-C cable allows for convenient charging, ensuring you're always prepared. Thanks to the easy car side fixation via the magnet and additional mounting plate, an easy installation is included. Simply attach the light to your car's interior using the strong magnet or the included mounting plate, and you're ready to go. The powerful magnet ensures a secure attachment, so you never have to worry about the light falling or moving while you're on the road. Trust in the quality and durability of the universal LED trunk light - OSRAM provides a 2-year guarantee1). 1)For precise conditions refer to: www.osram.com/am-guarantee
