# **OSRAM**

# LEDinspect SINGLE CHARGE PAD

#### Wire-Free Technology

Simply place a compatible worklight on the charging pad to easily hold and recharge

### Flexible mounting options

With strong magnets and screw holes built-in, you can easily attach the charging pad to toolboxes, workbenches and more

#### **Built to last**

IK08 and IP20 rated to survive the rigors of the professional workshop

# The easiest way to recharge inspection lights

Removing the need to find and connect the correct charging cable, OSRAM's Wire-Free charging pad securely stores and recharges a pair of suitable inspection lamps, so they are ready when you are. This innovative design not only enhances convenience but also supports an uninterrupted workflow.
